**Subject:** 8/28 draft agenda

Here is a draft agenda for our 8/28 meeting for your review. Perhaps we can finalize it during our Thursday meeting. Thanks

### **Pend Oreille River Temperature TMDL Status Meeting**

**Seattle, WA • August 28, 2013**

**EPA, Room 12B or 15U**

-

Draft Agenda:

-

- Introductions
- Statement of Meeting Objectives and Background by EPA
- Brief statements by Tribe, Ecology if desired
- EPA Presentation of Technical Issues: CFA, Time-lag, Border condition- – including EPA analyses provided to Ecology and the Tribe on **date** and **date**, respectively [we should consider **whether we want to break these out in any greater specificity**].
- Discussion and feedback on technical issues from Tribe and Ecology
- Identification of potential solutions and path forward
- Next steps
